

1710.17 State-Owned Mineral Rights

Issued January 1, 1994

SUBJECT: State-Owned Mineral Rights.

APPLICATION: Executive Branch Departments and Sub-units.

PURPOSE: To provide proper control for removal of and compensation for State-owned mineral rights.

CONTACT AGENCY: Department of Natural Resources (DNR) - Real Estate, Minerals Lease Management Section.

TELEPHONE: 517/373-7663

FAX: 517/335-3264

SUMMARY: If approached by an individual or mineral industry representative to remove, explore for, or develop minerals on lands you occupy or manage, contact the DNR. Only the DNR is authorized to enter into leases, permits, or agreements for removal of State-owned minerals.

APPLICABLE FORMS: None.

PROCEDURES: To coordinate a lease/agreement for exploration and development of minerals, contact agency.
